

MESSAGE: Be a Voter by August 11

- **Be a voter by August 11.** Make your voting plan today, remind your friends and family, and help make sure every DFL supporter casts a ballot.
- **We've built a movement worth protecting.** Volunteers have already knocked nearly 800,000 doors this year across all campaigns — 36% more than this point in 2024. Now we need to turn that momentum into votes.
- **Primaries are decided by who shows up.** Be one of the voters who represents the DFL this November. Your vote helps decide who carries our values into the general election.
- **The most important thing you can do right now is talk to voters.** Volunteer for one more shift, have one more conversation, and ask one more person to support the full DFL endorsed ticket.
- **A strong turnout means a stronger DFL ticket.** Every vote and every conversation helps our endorsed candidates head into November with momentum.
- **We've built too much to leave votes on the table.** Every vote we earn protects the work we've already done and brings us one step closer to victory.
- **Everything we've built over the past year leads to this moment.** Vote. Volunteer. Bring one more voter with you. Prove one more time what our movement can do.

ACTION

Minnesotans know results come from working hard — and it's now or never.

The most important thing you can do to make sure our DFL endorsed candidates get out the vote and win is to have conversations with voters about why you support the full DFL ticket. Sign up for a door knock, vote on or before August 11, and help carry our momentum all the way through November.
