

MINNESOTA STRONG: We're With You. They're With Trump.

Minnesota Strong

- **Minnesotans are showing up, and DFLers are leading the way.** More than [1.1 million](#) Minnesotans voted in Tuesday's primary election — the most in Minnesota primary history — and roughly 63% were DFL voters. Amy Klobuchar and Peggy Flanagan each received more votes than total Republican turnout in their races. These were huge gains.
- **We're taking this historic strength straight into November.** Across our campaigns, the DFL has knocked nearly [1,000,000](#) doors, including 65,000 in the weekend leading up to the primary. [Every](#) DFL endorsed candidate won their primary, and we have a candidate running for every House and Senate district in Minnesota. Only two GOP endorsed candidates at the top of the ticket won, showing their weakness. Now we build on our DFL strength to win in November.

What We're Fighting For

- **We're fighting to lower your costs and help you build your future.** That means bringing down the cost of your health care, helping you afford your first home, and expanding your opportunities.

What They're Fighting For

- **Republicans are driving up prices by rubber-stamping Trump's agenda.** Their tariffs are losing you money, their health care cuts are driving up the cost of your care, and their Iran war is making your gas and groceries more expensive. Their choices continue to raise your costs and lose you money, and they'll keep increasing your losses every day.
- **When things get tough, Republicans hide — and leave you to deal with the consequences.** [Trump ran away](#) from Air Force One in a catering truck. MNGOP Senate nominee [Michele Tafoya admitted](#) she's "embarrassed to tell people" she's from Minnesota. And [Tom Emmer bragged](#) that Minnesotans should thank Trump for Operation Metro Surge after federal agents attacked our communities. They run and hide from the consequences, insult our beautiful state, and leave people behind.

The Choice

- **The choice is clear: Who will lower your costs and fight alongside you for your future?** We will restore, repair, and rebuild what Republicans have damaged. We're with you. They're with Trump. If they win, we all lose.

The Kind of Leaders You Deserve

- **Democrats don't look away — we look to each other and get to work for Minnesotans. That's what makes us Minnesota Strong.** Nearly two-thirds of the more than one million Minnesota voters chose our DFL candidates. We'll protect you from losing even more than what Republicans have already cost you.
- **You deserve leaders who show up, get results, and solve problems.** We're focused on strengthening communities and building an economy where your hard work pays off. We believe government should be more effective, be accountable to you, and leave you better off.
