

DFLers Fight for Workers: We're With You. They're With Trump.

DFLers Fight for Workers

- **We're the Democratic-Farmer-Labor Party for a reason.** When working people succeed, we are strong. This Labor Day, we thank the workers who built Minnesota, keep our state running, and strengthen our economy.
- **DFLers are fighting to make your hard work pay off.** Trump's trade war with Canada is putting Minnesota jobs and paychecks at risk, while Republicans like Lisa Demuth call his tariffs "[effective](#)." We're fighting for Minnesota workers while Republicans keep putting Trump first. When Minnesota workers are strong, Minnesota is strong.

What We're Fighting For

- **We're fighting for you — and we're fighting to lower your costs and help you build your future.** That means bringing down the cost of your health care, helping you afford your first home, and expanding your opportunities.

What They're Fighting For

- **Republicans are driving up prices by rubber-stamping Trump's agenda.** Their tariffs are losing you money, their health care cuts are driving up the cost of your care, and their Iran war is making your gas and groceries more expensive. Their choices continue to raise your costs and lose you money, and they'll keep increasing your losses every day.
- **Republicans look at Trump's presidency and want more of the same in Minnesota.** Lisa Demuth has repeatedly failed to name a single issue on which she disagrees with Trump. When asked, she said, "[I don't have anything](#)." She backed Trump's health care cuts and tax breaks for billionaires and called his tariffs "[effective](#)." She said, "[He has absolutely delivered on the things he said](#)." Lisa Demuth would be Trump's rubber stamp in the governor's office.
- **Republicans keep tearing down the state they claim they want to lead.** Michele Tafoya has repeatedly talked about [leaving Minnesota](#) for Florida, called herself [a Florida resident](#), and said she was "[embarrassed to tell people](#)" she's from Minnesota and was "[fleeing](#)" our state. DFLers are proud to be strong

Minnesotans and fight for the people who call our state home. Republicans want your vote while talking down Minnesota and looking for the exit.

The Choice

- **The choice is clear: Who will lower your costs and fight alongside you for your future?** We will restore, repair, and rebuild what Republicans have damaged. We're with you. They're with Trump. If they win, we all lose.

The Kind of Leaders You Deserve

- **Democrats don't look away — we look to each other and get to work for Minnesotans. That's what makes us Minnesota Strong.** Nearly two-thirds of the more than one million Minnesota voters chose our DFL candidates. We'll protect you from losing even more than what Republicans have already cost you.
- **You deserve leaders who show up, get results, and solve problems.** We're focused on strengthening communities and building an economy where your hard work pays off. We believe government should be more effective, be accountable to you, and leave you better off.
